Anger Workshop *Anger – Creating New Choices*

Learning Prevention Techniques to control Anger BEFORE it gets to the Point of Violence and Criminal Action

This is a six hour class done in three separate 2- hour blocks of instruction. It is held on designated Tuesdays as shown in the schedule below. Participants are required to complete a course workbook. Completing the workbook takes 3-4 hours. If all the requirements are met, the participant receives a Certificate of Completion.
(James Beard leads Video group)
